

SUMMER FUN—The Hamlin City Simming Pool opened here Monday and was drawing a large crowd when this picture was taken Tuesday. The pool is operated by the Hamlin Foundation with Mrs. Ellis West as manager. The pool will be open each day from 1:30 to 6 p.m. Monday through Saturday.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Since both Perryton and Hamlin are basically agriculture communities the following column written by Harold Hudson, publisher of The Perryton Herald, is very apt for this area.

Jimmy Carter has shown quite a bit of strength in the farm areas because farmers believe that the Democratic candidate, a peanut farmer, is a whole lot more sympathetic to their problems than the city candidates who don't know much about the farm. Carter says that if he becomes President, he will establish a reserve of agricultural products and he will set price supports at cost-of-production levels. Both of these proposals sound good to the farmer who is facing disaster under the present trend of being squeezed by higher and higher costs and lower prices for farm products.

"Whether Carter could put his proposals into operation remains to be seen, of course. While this is a Democratic Congress, it is still one that is dominated by Eastern and urban interests. Thus farm Congress has only one attitude toward the farmer and farm problems and that is an insistence that farm prices be kept low so that the price of food will be kept down. It is unlikely that laws will be passed to subsidize farm production, although it may have to come to that.

"The trouble with our free market system is that something appears to be out of kilter when it comes to farm products. It has long been said that the price of beef cattle on the hoof is determined by a small handful of supermarket chains and packing houses who get together and decide what they will pay. This probably can't be proved because it is no doubt a violation of some anti-trust law, but it does appear that the bid price for cattle offered by the major buyers is too much together every day to be sheer coincidence.

"Grain prices are low because apparently American farmers grow more grain than the domestic market can consume. For a while this was viewed as an excellent way for the United States to store up its foreign trade by selling grain for export. Then along came George Meany and his labor union cohorts and told the nation that they wouldn't allow this sort of thing and President Ford slapped on a grain embargo, presumably under pressure from those who

Church of Christ Sets Bible Week

Family Bible Week will be observed here by the Church of Christ starting Sunday, June 13, and running through June 18. The theme for the week will be "Jesus Christ, the Son of God," according to David Giddings, minister.

Bible study classes will be provided each evening, Monday through Friday for all age groups with a nursery provided for infants. Classes will begin at 7:45 and end at 9:30 each evening. The regular schedule of services will be held Sunday.

Dan Manuel of Palestine will be directing the adult studies during the week and will be preaching at both services Sunday.

R. A. Wade of Lubbock will be leading the sessions for all teenagers from fifth grade through high school. He is the son of Mr. and Mrs. R. D. Wade and he and his wife, Pat, have three children. Wade is a supervisor of Special Education for the Lubbock School District. He also serves as educational director for the South Plains Church of Christ.

Giddings said that each family in the Hamlin area is urged to take part in this week of spiritual enrichment for the family. He said that anyone needing transportation can phone 576-2257 from 6:45 to 7:45 p.m.

Giddings also announced that each family in Hamlin has received a copy of the

"Star" magazine this week. This publication is provided by the Church of Christ and is published by Star Publications in Fort Worth. The church plans to send this publication to each home in the community four times a year.

Swimming Pool Opens

Mrs. Ellis West announces that the Hamlin City Swimming Pool is now open to the public.

The pool will be open each day from 1:30 till 6 p.m. Monday through Saturday.

Anyone wishing to have a private party in the evenings after the pool is closed may call the pool and make arrangements, Mrs. West said.

Oak Grove Sets Dinner Saturday

The Brotherhood of Oak Grove Baptist Church will sponsor a dinner Saturday, beginning at 5:30 p.m.

The menu will consist of fried chicken, green beans, creamed potatoes, tossed salad, rolls, assorted pies and tea.

Price per plate will be \$2.25.

AGENT WARNS—

Screwworm Story Is 'Bad News'

It's bad news as far as the story on the screwworm situation in Texas is concerned. The year got off to a bad start with early outbreaks of the flesh-eating pest in South Texas, and things have gotten progressively worse, points out Kirby Clayton, county agent for the Texas Agricultural Extension Service.

"Right now, screwworm cases in Texas are running ahead of the record-setting pace of 1972," notes Clayton. "The main concern is that the cases are spreading rapidly to the north, west and east. Through May 29 more than 60 counties have reported one or more screwworm infestations."

A primary reason for the higher infestations this early in the year is that the past winter was quite mild, thereby allowing more of the screwworm flies to overwinter in southern Texas and northern Mexico. And the number of overwintering flies was larger than usual due to

screwworm explosion last fall in South Texas that was triggered by a massive infestation of Gulf Coast ear-ticks.

Webb County has been the screwworm hotspot this year with three times as many infestations as in 1972. Other heavily infested counties have been Zapata, Starr, Hidalgo, Jim Hogg and Dimmit.

Screwworm cases have already been confirmed as far north as Baylor County, as far west as Pecos and Terrell counties, and as far east as Colorado County.

All counties with confirmed screwworm cases have been bombarded with sterile flies to break up the reproductive cycle of the female screwworm flies. Screwworm flies that mate with the sterile ones will not produce fertile eggs explains Clayton.

"Although the situation looks bleak, some help appears on the way although it may not arrive until this fall," notes Clayton. "That's when the new insectary at

PRICE 14¢

FROM 50 TO 85 PERCENT—

School District to Raise Property Valuation 35%

The Trustees of the Hamlin Independent School District voted to increase the assessment of taxes from 50 percent of valuation to 85 percent at their meeting Monday evening. At the same time the board lowered the local maintenance tax rate from \$1.30 to 99 cents per \$100 valuation and the debt service rate will increase from 20 cents to 34 cents.

The net increase in taxes with the new assessment and rate amounts to a 50.7 percent increase over last year. For property valued at \$20,000 the local maintenance tax will increase from \$130.00 to \$168.30 and the bond retirement tax will increase from \$20.00 to \$57.80, making a total increase from \$150.00 to \$226.10.

The net increase in local taxes for operating the local school district for the coming year is from \$390,754.00 to \$483,958.00. The increase in debt service is from \$62,116.00 to \$166,208.00.

The increase in the debt service is to retire the bonds voted last year to build the

new middle school and auditorium. The increase in operating funds was required to offset the increased cost of operating the school program.

This increase, according to Superintendent Bob Hawes, was caused by a decrease in state funds under the school finance bill passed by the last session of the Legislature and inflation. He said that while the state has increased school operating costs by increasing teachers salaries and adding additional programs, it has cut state funds by over \$31,000 this year and has cut back on state funds by over \$125,000 in the past two years.

In figures presented to the

board, Hawes pointed out that the total operating budget has shifted from 49 percent local financing in 1974-75 to 57 percent local funding in 1976-77. In just the Minimum Foundation Program the load of school financing has shifted from 21 percent local in 1974-75 to 37 percent in 1976-77.

Along with the increase in costs of operating the school for the coming year, the district was also faced with the loss of projected oil valuations of \$1,000,000.

During the meeting Monday evening, the board voted to approve the media contract with the Regional Service Center for the coming

year and to advertise for bids on all the evaporative coolers and space heaters now located in the primary and elementary buildings. These units are being replaced by central heating and cooling units this summer.

The board also accepted the resignations of three teachers and hired five for the coming year. Resigning were Jerry Bodine, Miss Reba Jackson and Mrs. Paula Holder.

The board hired the following: Sue Flores, high school migrant program and Spanish; Martha Sell, junior high language arts; Joe Bledsoe, basketball, football and science; Pam Kay Roughton, junior high physical education; and Rhonda G. Lisle, primary.

138 Taking Part In Recreation Program

One hundred thirty-eight boys and girls have enrolled in the Summer Recreation Program sponsored by the Board of Community Development and funded this year by the Hamlin United Way.

Director George Bonds and his assistant, Mrs. Jim Bonds, are being assisted by volunteers in the following scheduled activities: tumbling, cheerleading, tennis, organized games, softball, arts and crafts and choir.

Wednesday mornings from 11 until 12 is splash and swim at the pool. Parents are invited to come to the pool on

Wednesday mornings.

The regular schedule is followed Monday through Thursday, with a special event planned for each Friday. Last Friday a picnic in City Park was held.

In the arts and crafts classes, costumes will be made to be worn in the Bicentennial Parade to be on Friday July 2.

The choir will be working on some patriotic songs to be sung during the community picnic and church service at the City Park on July 4.

The summer recreation program is free for all school age children.

First Methodist Church Names New Minister

The Rev. Howard Marcom, new minister of First United Methodist Church, assumed responsibilities here with Sunday services.

He and his wife Gwendoline and daughters Mary and Linda moved here last week from Bovina where he had served as Methodist pastor for the past four years. Previously he was in Spur four years, Canadian three years, Merkel three years and O'Donnel five years. He has been in the ministry 33½ years.

Born Feb. 13, 1920, in Royce City, he was graduated from Levelland High School and attended Texas Tech University. He graduated at McMurry College in 1942 and finished graduate work at Southern Methodist University in 1948.

Rev. and Mrs. Marcom have four children, a son Robert, 33, a member of the faculty at San Antonio College; a daughter, Judy, 25, who teaches at Kress; and two adopted daughters who are at home. Mary, 20, has completed work at South Plains Junior College in Levelland and will be a junior at West Texas State University at Canyon in the fall. Linda, 16, will be a high school junior in the fall. Both are natives of Korea.

Mrs. Marcom is an elementary school teacher. The Rev. Marcom succeeds the Rev. Jim Smith, pastor here since June, 1974, who moved to Floydada.

While in Hamlin, the Rev. Smith was director of the Hamlin Lions Club, a director of Board of Community Development, United Way Fund Drive Chairman for

1975; Ministerial Alliance president, 1975-76; a member of Adult Education Committee and Jones County Senior Citizens Board.

He and his wife Lu Ann have three children, Scott, 9, Jill, 6, and Juli, 1. They moved here from Lamesa in June, 1974.

NEW HAMLIN RESIDENTS—The Rev. Howard Marcom, right, new minister of Hamlin First United Methodist Church, and Mrs. Marcom, moved to Hamlin last week from Bovina after assignments were announced by the Northwest Texas Conference.

Sonnenburg-Powell Vows Exchanged Here Friday

Marriage vows were exchanged here Friday evening by Fodie Kae Sonnenburg and Samuel Lgin Powell of Stamford in First United Methodist Church with the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiating.

The bride is the daughter of Mr. and Mrs. Ray Glenn Sonnenburg. Parents of the bridegroom are Mr. and Mrs. Henry J. Powell of Stamford.

Mrs. Brad Rowland was organist.

Debbie Elmore was maid of honor. Best man was Mike McKeever of Stamford.

Ray G. Sonnenburg Jr., brother of the bride, was usher.

The bride, presented in marriage by her father, wore a white chiffon gown fashioned with full tiered skirt which extended into a brief train. The fitted bodice with V-neckline was designed with cape effect and was marked at the waistline with a soft fabric rose. She wore a white picture hat and carried a bouquet of yellow and white roses.

Her attendant's gown of yellow organza was made with long full sleeves. She wore a white picture hat tied with yellow streamers.

The reception hosted by the bride's parents was held in the church parlor. Mrs. Darrell Berry of Fort Worth, aunt of the bride, and Mrs.

Mike Powell, sister-in-law of the bridegroom, served.

A buffet dinner for the wedding guests was given at the Sonnenburg home, 1003 Northwest Third, following the reception.

After a wedding trip to Palo Duro Canyon, the couple established residence at 5220 Hartford in Abilene.

The bride, a graduate of Hamlin High School and Texas Tech University, holds a bachelor of science degree in special education speech therapy. She was a member of Alpha Phi at Tech. She is employed by Abilene Independent School District in Abilene.

The bridegroom, a graduate of Stamford High School, is employed by Eddie Jones, building contractor, in Stamford.

A prenuptial compliment to the bride was a gift tea May 29 in the parlor of First United Methodist Church.

Guests were received by Mrs. H. D. Lain, the honoree, Mrs. Sonnenburg, Mrs. Powell and the bride's grandmother, Mrs. Frank Bayouth of Abilene.

The polished serving table was appointed with crystal and centered with an arrangement of yellow glad-oli and carnations.

Serving were Cyndi Lewis and Debbie Elmore. Hostesses were Mmes.

Lain, Gene Knabel, W. G. Comegys, W. O. Wilbanks, W. L. Hunter Jr., Don Elmore, Maxine Russell of Abilene, LaFoy Patterson, Dave Lewis, John R. Brown Jr., Frank Shearer and Harvey Elkins.

Beta Theta Luncheon Ends Year

The closing luncheon for Beta Theta chapter of Beta Sigma Phi was held May 22 at the Sweetwater Country Club. A Mexican dinner was served and a short business meeting followed.

Mrs. Jill Bell was awarded "Girl of the Year." Mrs. Bell has been chairman of the service committee. Others receiving gifts were Gena Bonds, Rita Young, Martha Ferguson and Mrs. Fred Smith, the chapter's First Lady.

Officers for the coming year were installed as follows: Shirley Poe, president; Glenda Willoughby, vice president; Mrs. Bell, recording secretary; Janet Bonds, corresponding secretary; Bunny Hodges, treasurer; Eytzel Sue Kelley, reporter; Martha Ferguson, director; Olivia Griggs, sponsor; and Ginger Crowley, parliamentarian.

Mrs. Burgess Hosts Guests For Retreat

Guests of Mrs. Arba Burgess at "Burgess Retreat" in Gail Friday through Sunday last week for the Borden County centennial and the nation's Bicentennial celebration were:

Joye Walton, Mr. and Mrs. Stan Walton, Stephanie and Stacy and Mr. and Mrs. Steven Ledgerwood, all of Lubbock, and Evaline Ferguson, Mrs. Ken Prewit, Kathy and Paula and Stephanie Haight, all of Hamlin.

The 150 population of Gail swelled to 10,000 with visitors

Vickie Ponder Honored With Gift Tea Here

A gift tea honoring Vickie Ponder, bride-elect of Jeff Williams, was held in the First Baptist Church Parlor, Saturday.

Receiving guests with the honoree were Mrs. Clyde Lewis, Mrs. Doyle Ponder, mother of the honoree, Mrs. Muri Williams of Big Spring, mother of the prospective groom, the bride-elect's maternal grandmother, Mrs. Warren Frazier of Aspermont, and paternal grandmother, Mrs. Tom Strickland of Moran.

Refreshments were served from a polished table with crystal and silver appointments.

Hostesses were Messrs. James Brigham, Larry McCoy, Ken Prewit, Thomas Ferguson, John Steele, Gary Thornton, L. B. Maberry, Elbert Payne, Rex Reynolds, Joe Simpson, George Werner, Charles Absher, Harold Nelson, Robert B. Moore, Gene Prewit, Charles Evans, Cheryl Lewis and Mrs. Lewis.

Miss Ponder was honored with a lingerie shower recently in Behrens Dormitory on the campus of Hardin-Simmons University in Abilene, where she was a student this past year.

Hostesses were Annette Jackson of Knox City and Lisa Liggett of Fort Worth.

during the Saturday parade and activities. An arts and crafts display, cooking activities and the huge parade was climaxed Saturday evening with a wild west show. Buffalo and longhorn cattle herded by cowboys, bands, floats, etc. made up the parade that came by Mrs. Burgess' Gail home.

Sunday was a pioneer homecoming featuring Grant Teaff, head coach at Baylor University, as the speaker for the Sunday morning service in the football stadium.

Eastern Star Holds Officer Installation

Hamlin Chapter No. 460 Order of the Eastern Star held open installation of officers Tuesday June 1 in Masonic Hall following the regular meeting.

Installed as worthy matron and worthy patron were Mr. and Mrs. Don Bailey, respectively. Other officers for the 1976-1977 year are associate matron Mrs. Peggy Welch; associate patron, Thomas Welch; Mrs. Gladys Nelson, secretary; Mrs. Willie Vic Goodgame, treasurer; Mrs. Louise Cooper, conductress; Mrs. Peggy Bonds, associate conductress; Mrs. Georgia George, chaplain; Mrs. Mildred Crouch, marshal; Mrs. Perry Lou Brady, organist; Mrs. Patsy George, Adah; Mrs. Mary Hollis, Ruth; Mrs. Judy Tice, Ester; Mrs. Ruby Killion, Martha; Mrs. Ann Brumley, Warder; Buddy Killion, sentinel. Mrs. Bonnie Vaughn was unable to be present for the meeting and will be installed later as Electa.

Installing officer was Mrs. Essie Pearl Holloway of

Miss Ferguson, Larry Lott Set Wedding Date

Mr. and Mrs. Samuel Clarence Ferguson announce the engagement and approaching marriage of their daughter, Jean Ann, to Larry Lanier Lott of Dallas. He is the son of Mrs. L. A. Lott of Gatesville and the late Mr. Lott.

The couple will be married June 27 in the chapel of First Baptist Church.

The bride-elect is a graduate of Hamlin High School and received a bachelor of science degree in education, math and special education from Baylor University, Waco. She is employed by the Heart of Texas Coop Exceptional Children in Waco.

Lott is a graduate of Waco High School and attended University of Texas at Arlington. He is presently attending Controlled Data Institute in Dallas where he is also employed by Texas Instruments.

Anson. Assisting officers were installing marshal, Mrs. Lena McGee of Knox City, installing Chaplain J. C. McGee of Knox City, organist, Mrs. Hylon Reeves of Anson and installing secretary Mrs. Elaine Bell of Baird. James Stewart led the obligation.

The meeting was called to order by retiring worthy patron Herbert Crouch. The Bible was presented by Terry Bailey. The square and compass was presented by Kay Bailey. The flag was presented by Bill Sauls and the pledge of allegiance led by the worthy patron, and the national anthem was sung.

Mildred Crouch, worthy matron, introduced distinguished guests and welcomed visitors. She also introduced the installing officers.

After installation the newly installed Worthy Matron Melba Bailey gave her welcome and greetings and introduced her family, children Terry and Kay Bailey, and Mrs. Wilma Hewett and Mrs. Elaine Bell of Baird, mother and sister, respectively of worthy patron Don Bailey.

Special music was presented by Mrs. Janet Bonds who was accompanied by Gary Ford.

Mildred Crouch marshal escorted the installing officers and others to the east

where they were presented gifts by Willie Vic Goodgame, compliments of the Worthy Matron.

Mr. and Mrs. Thomas Welch presented the past matron and patron pins to Mildred and Herbert Crouch. They also presented a large white Bible to Melba and Don Bailey.

J. C. McGee gave the benediction. A reception in fellowship hall was hosted by Mildred Crouch, Perry Lou Brady and Judy Tice.

Will Rogers Says...

"We are friendly with Russia now, but you would be surprised the amount of people that are not going there to settle."

"Their big importation is caviar, that's a kind of gooey mess of fish eggs, that I suppose, is without a doubt the poorest fodder in the world, but it costs a lot and the rich just lap it up — like they do grand opera, when they can't understand a line."

"We got fish here that must lay eggs, but we don't pay any attention to them. They are just home talent. If the same fish went to Russia and laid those same eggs, why, then they become important eggs. Instead of just a setting of eggs, they become caviar."

"I was surprised, I didn't think a fish in Russia would lay anything but hard-boiled eggs."

December 3, 1933.

NATIONAL BANK

the gospel truth

by Bro. Marshall Townsley

Praise God! Isn't it wonderful to know that God is concerned about us? Through Jesus Christ we have received God's unlimited grace. I want to address all mankind this week, but more especially those who do not know Jesus as Lord.

I would like to quote a very familiar scripture to you, one you have probably heard all your life. "For God so LOVED the world, that he gave his only begotten SON, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved." John 3:16, 17

In the beginning God made man for the purpose of fellowship. God loved man very, very much. When man committed high treason it grieved the heart of God. Now get this. So much did God miss the fellowship of his beloved creation, that immediately he began to make plans to reconcile (make friendly again) man unto himself. He desired to send his ONLY begotten son—Jesus the Christ.

He became our substitute on the cross. He bore the penalties that you and I deserved. All sin and its consequences were imparted to him instead of us. Isaiah 53:4, 5 describes this substitutionary sacrifice. "He is despised and rejected of men; a man of sorrows, and acquainted with grief; and we hid as it were our faces from him. Surely he hath borne OUR griefs, and

carried our sorrows; yet we did esteem him stricken, smitten of God, and afflicted. BUT he was wounded for OUR transgressions, he was bruised for OUR iniquities; the chastisement of OUR peace was upon him and with his stripes WE are healed." Thank God! This blood sacrifice atoned for the sin of the whole world once for all.

To you sinners who have not yet repented - ALL IS FORGIVEN! There is absolutely nothing you can do to work your way to Jesus — pray enough, read the Bible enough, become morally sound, change your appearance, tithe till you're poor, join the organization that calls itself a church — ABSOLUTELY NOTHING. Jesus paved the way.

How then are we saved? Just by simply accepting the blood sacrifice of Jesus. That's right. Accept it by faith. Believe from your heart that Jesus took your place on the cross, he died, was buried, and was resurrected that you might live. Rom. 10:9, 10.

After you have this step of faith, confess Romans 5:1: Therefore being justified by faith, I have peace with God through my Lord Jesus Christ. Praise God. Then go shout it from the housetops that you have been born again.

The way has been paved but the choice remains with you.

FROM THE FILES . . .

FIFTY YEARS AGO
(June 11, 1926)
Last Saturday afternoon Reno Stark, Blair Boyd, B. B. Caldwell, Pistol Crow, and Fire Chief Tom C. Farrow left by auto for the city of Harlingen down in the Rio Grande Valley. Down where it's perpetual summer. These boys are attending the State Convention of Texas Volunteer Firemen. This is a long, long trip for them and their friends here will hope that they will enjoy a real jolly good time.

We have heard much of the Neinda school building but not till last Friday did we really understand what a dandy structure they have. It is of brick and concrete and fully furnished. Everything about there is new. The people feel the newness of the surroundings and they are making the best of their opportunity. The Neinda school building is probably the best rural school house in Jones County. And Jones County is ranked among the best equipped counties in the state. In the Neinda community one finds a great deal of pride being shown in many ways. There are many new modern farm homes with all the city conveniences and their farms are being handled in the most approved manner to produce the highest yield.

The school though is the real center of that community. It is there that every family is directly or indirectly interested.

MALE HELP WANTED: Man wanted with car to drive county. No experience necessary. Special training given free. Good pay—\$40 to \$90 a week—for steady work. Write today.

It was proven last Friday that Hamlin Park can be of use to more than just the folks of town. The White Pond School closed a successful term and when they cast about for a good place to enjoy the last day no place could be thought of that would beat Hamlin Park. So the teachers and kiddoes and the parents all bundled up, and with a lot of good things to eat hiked to Hamlin and had a real good time. They left to enjoy the ball games of the Neinda School that was also just closing.

There is no reason why Hamlin Park should not be a treat to people all around the town. Come on, folks, you are welcome. We say you are.

TWENTY YEARS AGO
(June 14, 1956)
Renewal of the swan song of the past five years—the cry for more rain on the farms and ranches of the Hamlin section—was being heard this week as young row crops, which 10 days ago were looking promising, began to show the ravages of drouth under the increasingly hot winds of the past few days.

As The Herald prepared to go to press Wednesday at noon, the skies were overcast and hopes for some relief were being nurtured by farmers, ranchers

Scattered fields in the section south and east of Hamlin still were looking good, but in the main the situation was becoming critical for much of the young cotton and maize that had been planted since the late April and early May rains.

Continuation of a huge expansion program by the Celotex Corporation has been announced by the Chicago offices of the concern. The program is a continuing one, following expansion during the past few months of greatly increased capacities as the Hamlin plant. The new construction includes several other plants of the huge corporation.

City officials and the city engineer's office this week announced that they are ready to begin laying of curb and gutter along the property of Hamlin citizens at an unheard-of low price of 85 cents per front foot, which includes the prorated cost of one street intersection per block.

Investigation by City Engineer John Lea on current charges reveals that curb and gutter of similar quality to that proposed in the current program is at least \$1.75 per foot elsewhere.

Eighteen Hamlin Boy Scouts and Scoutmaster Weldon Johnson of Troop 43 are this week attending the annual camp for boys of this area at Camp Tonkawa near Buffalo Gap. They left Sunday afternoon and will return Saturday.

Boys making the trip are Bob Johnson, Ray Johnson Jr., Jimmy Shivers, Jimmy Cooper, Jerry Smith, Jerry Duncan, Jerry Warnell, Ronnie Dodd, John Ferguson, Gary Cooper, John Rickey, Bill Rickey, Bob Martin, Johnny Stovall, Larry Upshaw, Milburn Crawford, Clyde Hodnett and Terry Scott.

TEN YEARS AGO
(June 9, 1966)
Jackie Buske, Hamlin FFA member and the son of Mr. and Mrs. Jack Buske of the Tuxedo Community, was the big winner for the Hamlin FFA Chapter at the recent Area II FFA Convention. Jackie was first place winner in two awards. He won the National FFA Foundation Livestock Farming award and the Texas and Southwestern Cattle Raisers' Award. Jackie was also a successful candidate for the Lone Star Farmer Degree.

A resolution requesting a federal loan of \$376,800 and a grant of \$295,000 to construct a water system was unanimously passed by 78 members and 108 proxys of the Neinda Water Supply Corp. Thursday evening.

The group, assembled at the Oil Mill Guest House, heard Oris Bruner and Thomas Owens, director, and assistant director of the Farmers Home Administration of Jones County explain some of the possibilities of the loan and grant.

The water system will serve about 250 square miles of Jones and Fisher Counties.

The proposed water system will serve 314 customers and consists of 121 miles of pipelines, two automatic pump stations and six storage reservoirs.

Seven high school students were in Austin Monday and Tuesday for the U.I.L. State Solo and Ensemble event on the campus of the University of Texas.

Receiving II Divison ratings were Reba Jackson, alto sax; Randy Morgan, tuba; Jane Ferguson, Pat Perrin, Janet Carson, Rhea Sue Vaughan, French Horn quartet. John Osbourne, trumpet received a III rating.

Joey Duncan was piano accompanist.

More than 300 games were played by the 46 entrants in the Jaycee Tennis Tournament held at the high school courts Friday and Saturday.

High school winners awarded ribbons include Boys Singles, Keith Bundas, Donnie Jones, Danny Contreras; Boys Doubles, Keith Bundas and Donnie Jones, Mendoza and Contreras; Girls Singles, Judy Jenkins, Beth Craig and Rhea Sue Vaughan.

Hamlin voters went with the rest of the State with a majority of 79 votes being cast for Crawford Martin for Attorney General in Saturday's primary run-off election.

Tom Routh, election judge, reported Martin received 64 votes while his opponent, Franklin Spears, received 15.

NEWS AND VIEWS . . .
And What Have You
— Continued from page One

wanted to be sure that American grain remained cheap and thus food prices didn't rise.

"The result has been that the American farmer feels like he has gotten the shaft, and he has every reason to feel that way. Most people outside the farming areas don't realize that the farmer has serious problems. They still believe that the farmer gets governn-nt checks for not growing crops, and livestock and that he has things pretty soft at the expense of the taxpayer. This week we talked to a local milo farmer who is now pumping water on his crop. Last month his fuel bill for two irrigation wells was \$1,800. Two years ago the most a monthly fuel bill came to was \$350.00. And the price of milo is less than it was then. Obviously this can't continue and the time to do something about this serious farm problem is now before many farmers go bankrupt and the nation wakes up and wonders what happened to the food supply."

A PLACE TO PRAY

Man can, and should, pray anywhere. God has placed no limitations on his communing with him.

Our Lord has said, "... Ask and ye shall receive." God listens when we seek him, no matter where, however he desires that we gather together in prayer too. "... mine house shall be called an house of prayer for all people."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

CHRONICLE OF FREEDOM

On January 10, 1776, a young patriot named Thomas Paine published a fiery pamphlet, "Common Sense," demanding independence from the British.

On February 17, 1776, the 1st Continental Navy was put to sea when Commodore Esek Hopkins sailed to Chesapeake Bay to break the British naval blockade.

On March 5, 1770, British soldiers were provoked into firing upon a mob of jeering Boston patriots, an event commonly referred to as the Boston Massacre.

On April 18, 1775, Paul Revere, warned by a light in a church steeple that the British were coming, set out on his famous ride alerting his countrymen.

On May 10, 1775, 83 Green Mt. Boys, led by Ethan Allen, took possession of valuable military stores when they peaceably captured Fort Ticonderoga.

On June 17, 1775, patriots were ordered "don't fire until you see the whites of their eyes," and proved they could act as an army, at the battle of Bunker Hill.

On July 4, 1776, Congress adopted the Declaration of Independence, a document proclaiming that the colonies be "free and independent states."

On August 10, 1831, it is believed that the name "Old Glory" was given to the flag when Charles Daggett said, "my ship, my country, my flag, Old Glory."

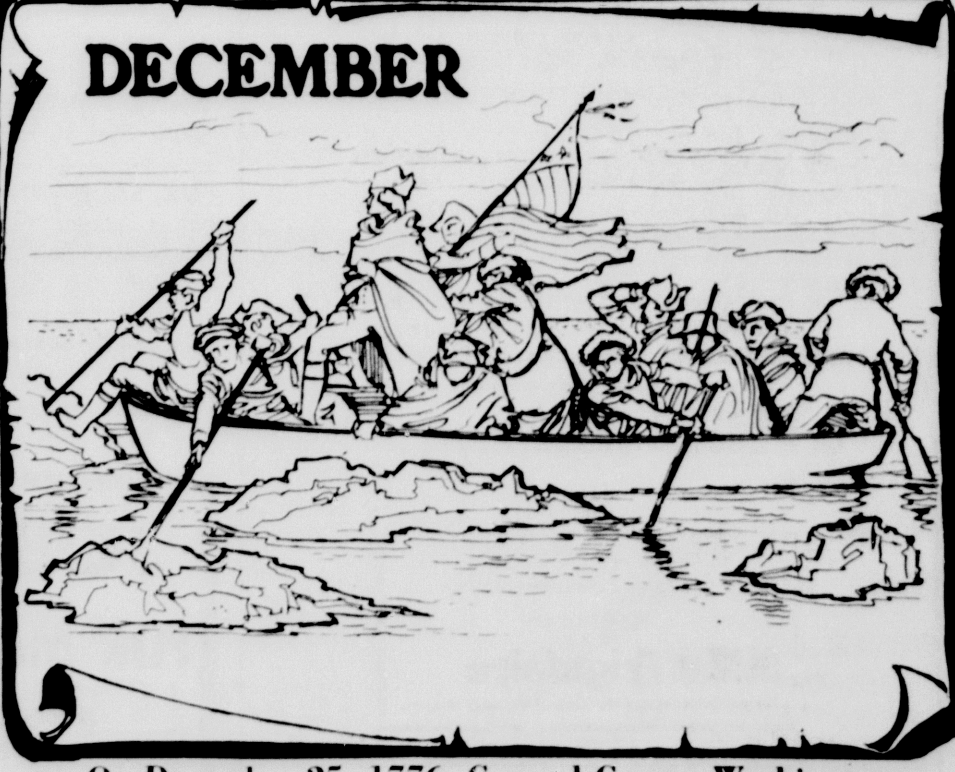

On September 23, 1779, Commander John Paul Jones said the immortal words, "I have not yet begun to fight," and defeated the British in a famous battle at sea.

On October 17, 1781, British General Cornwallis bade his troops lay down their arms at Yorktown. This was to be the last major action of the Revolutionary War.

On November 30, 1782, America and Britain signed a preliminary agreement to end the war, signifying the first step toward a formal treaty.

On December 25, 1776, General George Washington led 2,400 men across the Delaware towards Trenton, a much needed boost to the overall morale of his men.

Girl Scout News Agent Gives Hints on Farm Grain Storage

Girl Scout Day Camp closed Friday after a very successful week of camping. There were 59 scouts and 20 leaders and staff participating.

The first day all scouts were divided into five different troops and each troop was responsible for setting up their camp, building a fire, campfire cooking, menu planning, badge work, and all camp clean up.

Third grade Brownies under troop leaders Bunny Hodges and Shirley Lincoln, officially became Jr. Girl Scouts in a Fly-Up ceremony the first day at camp. Girls were Celia Cowan, Charissa George, Jodie Haight, Missy Hodges, Sheila Lincoln, Shanna Reynolds, Laurie Stubblefield and D'Ann Wheat.

Jr. Troop 300 completed the "Indian Lore Badge" and "The Sign of the Arrow" badge; also two requirements on their outdoor cooking badge. Their leader was Billie Schutte. The girls were Regina Kelly, JoNell Allen, Elaine Wade, Annette Woolf, Danna Schutte, Elaine Cook, Brenda Benningfield and Nichol Carter.

First Grade Brownies with Rebecca Prewitt, leader and Cel Cowan, Barbara West, as helpers, had a group of kindergarten girls with Sharon Ford as their leader to join them for a week of camping.

Second grade Brownies with Jerry Ferguson, leader, Judy Tice, Wanda Turner and Sue Turner as helpers, worked on their "Outdoor Badge" and met all requirements but one which will have to be a night lesson. They also studied First Aid and Girl Scouts laws.

Cadet troop 399 was joined by Jr. troops 358 and 298. These six grade Jr. girls have officially become cadettes at the end of school. All girls worked on their cooking skills, they cooked every day over a campfire, and washed all their dishes using a campfire, also. They chose a campsite in a pasture and had to clear away brush and really work on their camp. Jennie Cooper was their leader and Ann Brumley was helper.

Mrs. Thomas Welch, assistant camp director, was in charge of crafts, going from camp to camp each day teaching different crafts to the girls. She combined all Jr. troops and helped them with their "Indian Lore Badge" by making Tom-Toms, headbands, teaching them an Indian dance and story that was presented at the closing ceremony Friday.

Each troop had their individual campfires and Lynn McKinney, field director from Abilene, came Thursday and ate with troop 317, who had bar-b-que chicken breast, corn on the cob, baked beans all prepared by the girls over the campfire.

Carol Ann Ivy and her daughter from Big Spring came on Wednesday and ate with troop 354. The girls prepared hamburger patties, fried potatoes baked beans over the campfire. Mrs. Ivy is in charge of inspecting all day camping in the West Texas Girl Scout Council.

Each troop participated in the flag raising and lowering ceremonies each day and all

Bids, Legal, Auction

THE CITY OF HAMLIN will receive bids on agricultural leases until 5:00 p.m. June 21, 1976. For detailed information, contact John Steele, City Hall.

Miscellaneous

THE HAMLIN JAYCEES meet Wednesday 8 p.m., at the Jaycee Building.

RENT the Jaycee Community Building for parties, family reunions and special occasions. Call Jerry Smith 576-3638.

participated in all camp Kaper chart duties.

Stella Payne was Camp Director, Oletha Waldrop business manager and registrar. Mary Johnston was camp nurse.

A Splash day at the pool will be held for all girls who attended camp at a later date. All girls will be notified by their leaders when it will be held.

Mrs. Johnny Waldrop, Service Unit Chairman, would like to thank each Leader, helper and staff member for their work, noting that most of these mothers went directly from day camp to help with little league or to work. "And a special thanks to the firemen for the use of their cabin," she added.

Funeral Service

Held Friday for Elbert Preston

Funeral for Elbert A. Preston, 80, was held Friday at 4 p.m. in the Hamlin Church of Christ with the minister, David Giddings, officiating.

A retired Celotex Corp. employee and resident of Hamlin for 57 years, Mr. Preston died at 12:45 p.m. Thursday at his home, 229 N. W. Ave. J.

He was born Sept. 17, 1895, in Comanche County, son of the late Mr. and Mrs. Thomas Preston. He married the former Leona Chandler at Bibbs April 11, 1915.

He was a member of the Hamlin Church of Christ.

Burial was in Hamlin Memorial Gardens under the direction of McCoy Funeral Home.

Survivors include his wife, Leona; one son, Garland of Lubbock; two daughters, Lamoine Helm of Wingate and Lataine Rutherford of Hamlin; three grandchildren and one great-grandchild.

Pallbearers were J. D. Wyatt, Gerry Brown, Horace Daniell, Leonard Johnson, Wayne Hodnett and Floyd Smith.

Services Held Wednesday for Ruby Talmadge

Ruby Zelma Talmadge, 80, a Hamlin resident since 1960, died at 10:15 p.m. Monday at Hamlin Memorial Hospital. Funeral was held at 2 p.m. Wednesday at First United Methodist Church with the Rev. Marshall Stewart, pastor of the Church of the Nazarene, and the Rev. Howard Marcom, pastor, officiating.

Burial was in McCauley Cemetery under the direction of McCoy Funeral home.

Born Mar. 15, 1896, in Joshua, she lived in Dallas before moving to Hamlin.

Survivors include one son, Kenneth Parker of Hamlin; one brother, Elvin Wicker of Portland, Ore.; two grandchildren and one great-grandchild; and a number of nieces and nephews. One son and a daughter preceded her in death.

Pallbearers were Ray Maberry, Willard Maberry, Jack Vaughan, Bill Harbert, Tom Nall and Horace Driver.

AFRAID YOU ARE GOING DEAF?
A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given free to anyone answering this advertisement.

Send for this non-operating model to see how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so write for yours now. Thousands have already been mailed, so write today to Beltone, 1333 No. 2nd St., Abilene, Texas 79601 or call collect 1-915-5100.

Agent Gives Hints on Farm Grain Storage

Grain storage bins should be cleaned and sprayed with insecticides before storing grain for long periods of time, says Jones County Agent Kirby Clayton.

Remove old grain, trash, feed sacks and debris where insects may harbor and sweep down the wall and floor to remove hidden waste materials. Spray the cleaned bin with a 2 1/2 percent premium grade malathion or methoxychlor solution and allow all treated surfaces to dry thoroughly before putting grain into the bin.

Premium grade malathion may also be used as a grain protectant on small grains. This material may be applied as a dust or spray at the time grain is put in storage if grain is stored for planting seed. Small grain being used for human consumption or for cow feed should not be treated with these materials, says Clayton.

Surface treatment for

control of weevils, beetles and grain moths feeding under the grain surface are not effective and producers must resort to fumigants for control of these pests. Recommended fumigants include carbon tetrachloride, Ethylene dibromide, Ethylene dichloride, and carbon disulfide.

Clayton cautions all producers that most all fumigants and pesticides are poisonous to man and that strict precaution must be followed to avoid over exposure or breathing of the materials, especially fumigants being used in airtight storage bins. Read and follow directions on the label, says the agent.

Visiting Mrs. O. R. Shelton last week was her daughter, Mrs. Ralph Brown, of Stavanger, Norway. Mrs. Brown is the former Bernice Shelton of Hamlin.

We wish to express our heartfelt thanks to each one who had a part in making Hamlin a fine place to call home for the past eight years. We appreciate the opportunities you have given us to serve and be a part of the community. May the Lord richly bless you.

Use your Room Air-Conditioner Wisely...

AND SAVE

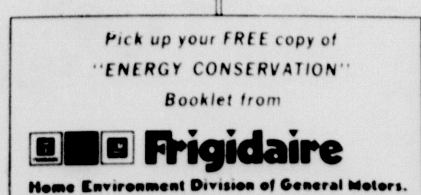

REDDY'S

HELPFUL TIPS

★ Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.

★ Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.

★ Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

West Texas Utilities Company

Remember REDDY Supplies the energy—but only YOU can use it wisely!

Barbecues Need Good Ventilation

Where do you put the grill when an outdoor barbecue is interrupted by rain? "Leave it where it is and bring the food inside," advises Kirby Clayton, county agent for the Texas Agricultural Extension Service.

The temptation to pull the barbecue grill inside a garage or other enclosed area may be strong. However, Clayton cautions that any

fire, especially a charcoal fire, produces carbon monoxide gas in sufficient quantity to quietly overcome or even kill the occupants of a small, unventilated area.

Clayton notes that there have been cases where carbon monoxide drifted inside homes from barbecue grills used inside attached garages and other structures.

So, for safety's sake, barbecue in an open area where there is plenty of ventilation, suggests Clayton.

Mr. and Mrs. Clarence Butler, Mr. and Mrs. Larry Butler and Bradley Gene returned Friday from a vacation trip to visit relatives. They went by car to Dallas May 28, spent the night with their daughter and sister, Mr. and Mrs. Jack Downey and children Janice and Amy. May 29 they flew to Columbus, Miss. to visit with Mrs. Clarence Butler's sister and husband Mr. and Mrs. F. L. Simmons and her niece Mr. and Mrs. Roderick Freeman. Thursday they returned to Dallas and to Hamlin on Friday. While in Dallas they visited Mr. Clarence Butler's brother in Ft. Worth who had undergone surgery.

LINDA MARCOM
... to state convention

Linda Marcom To Compete In State Convention

Linda Marcom, 16-year-old daughter of Rev. and Mrs. Howard Marcom will be in Austin Friday and Saturday to attend the State Music Teachers Convention.

A student of Mrs. Louis Catuogno of Lubbock, Miss Marcom will compete in the Junior State Piano Contest will in Austin.

She will be accompanied to Austin by her mother.

Cleburne Murdoch Buys Interest In Rotan Drug Store

Cleburne Murdoch, 31, pharmacist at Howard Drug Co. for the past eight years, has purchased the George McDonald interest in the Clinic Pharmacy in Rotan.

Murdoch and his wife Sharon and daughter Sharilyn, 2½, completing the move to Rotan this week. They purchased the home owned by McDonald.

He will be consultant pharmacist for the new Fisher County Hospital.

Murdoch came to Hamlin following graduation from Southwestern State University in Weatherford, Okla. He has been active in the Hamlin Lions Club and they have also been active in church work at the First Assembly of God.

Mr. and Mrs. Bob Bruce and Greg of Abilene and Evaline Ferguson of Hamlin visited friends and relatives in Lubbock over the weekend.

Philosopher Cleans Off His Desk, Comes Up With A Number of Items

Editor's note: The Neinda Philosopher on his Johnson Grass farm on Route One this weeks checks over some of his un-used notes.

Dear editor:

Some men I understand won't leave work in the afternoon till their desk is cleared off, some clean their desk off once a week, some once a month, some every spring. I have never been bound by such rigid rules. I clean mine off when it won't hold any more.

It reached that peak yesterday and here are a few items I picked up after they fell on the floor:

(1) It seems to me that

while it might be asking too much of human nature to expect to have politicians who won't lie, it looks like some of the more notorious ones would learn to at least stop lying about their lying. It makes you wonder about a politician's intelligence when he looks into the TV camera and says "I never was in her apartment," only to have it come out that actually he was there twice a week for two years. It looks like Congress has to do either one of two things: straighten up, or ban investigative reporting.

(2) As Mark Twain said, some people will lie on credit when they could tell the truth for cash.

(3) I understand the big

New York City University has closed down because it's broke. Congress ought to do something about that immediately. You start closing down public outfits because they're broke and what do you think will happen to Washington?

(4) According to a statistical firm, what a person earns from January 1

to May 1 goes for taxes, and it's not until May 2 that he actually starts working for himself. It has taken us 200 years to go from No Taxation Without Representation to No Representation Without Taxation.

(5) Washington has a hard time learning. It has been denouncing Cuba for sending troops to Angola, when it

ought to be sitting back grinning. If Cuba hasn't learned from us what it can cost a nation to send troops to a country half-way around the world, it ought to be her worry, not ours.

My desk is now cleaned off. I didn't know it was that color.

Yours faithfully,
J.A.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

After my first trip to State 4-H Roundup and the thrill and excitement of receiving an adult leader's award I doubt if I can collect my thoughts enough to report the news in the community. Should anyone lose their faith in our youth of today they should take this trip to the State Roundup and they'll be embarrassed at having doubts.

Mr. and Mrs. James Smart Jr., Tiny Ann and Kenny, spent the weekend in Lometa where they visited Mr. and Mrs. Larry Smart and Jamie and did some fishing. The Smarts took Stephanie Reed, daughter of Mr. and Mrs. Marion Reed with them. Stephanie will accompany Mr. and Mrs. Bobby Smith.

Baptist Church VBS Opens Mon.

Vacation Bible School at First Baptist Church will begin Monday and continue through Friday, June 18.

Bible school classes will be each morning from 8:30 a.m. until 11 a.m.

Youngsters from the age of 3 through the eighth grade are encouraged to attend, according to Lynn Mink, this year's director.

Cody and Timothy Bob to Fredonia to visit for a week. Bobby and Prescilla were also visiting the Larry Smarts.

Mr. and Mrs. Albert Maberry, son Gordon and Mrs. Zula Maberry travelled to Ruidoso last week for a few days of rest and relaxation. They were joined there by Mr. and Mrs. Sid Ross and daughters, Jana and Lisa of Abilene. The Ross family plan to spend the month of June in Ruidoso.

Mrs. Truett Jeffrey recently became sole owner of the Jeffrey Country Store. Jewel's chief clerk will be Jana Jeffrey, daughter of Mr. and Mrs. Billy Wayne Jeffrey.

Mr. and Mrs. Guy Kemp of Roby visited Mr. and Mrs. Frank Kemp Saturday night.

McCaulley Cemetery looks nice since the work day Tuesday. There is much to be done yet on the north side. We have a need for some local organization to set aside a day for this to be done every year.
